

**Coast Salish Employment & Training Society
Employer Research**

Complete one page for each employer you interview. It is to your advantage to contact as many employers as possible. (Make as many additional copies as of this page as needed). When you talk to the employer, you want to talk to him/her about specific jobs that relate to the training you are seeking.

Name of Contact Person	Job Title	Company	Phone

What training and related experience is required for this type of work?

When you are looking for someone to do this work, what skills and abilities do you look for?

What positions would I be qualified for once I finish this training?

What are the long term prospects for employment in this occupation?
